EXPERIENCE

Warehouse Associate | Rentex AV Rentals
2025 – Present Position

- Utilized Rental Tracker Pro to check in and out
- Assisted Quality Control in testing gear that has returned from show sites
- Provided an impeccable level of service and presentation in a timely manner for equipment

Freelance LED Engineer | Clubhouse Event Group / Outdoor LED
2025 – 2025

- Delivered 7'x12' and 12'x17' LED Trailers to various events across Tennessee, Alabama, Indiana, and Florida
- Successfully Ran and Operated LED throughout shows
- Loaded in and out of sites independently, operating hydraulic lifts and gas-powered generators to do so

Video Editor / Camera Operator | Moo TV
2023 – 2025

- Ingested 360 Degree Footage for Linear Video Editing
- Worked in-town live shows as a Camera Operator
- Assisted in warehouse tasks, including building LED walls and repairing modules
- Developed media server knowledge in Disguise, Pixera, and Resolume

VR Developer | MT Imagine
2022 – 2023

- Created content creation pipelines for others to help increase flexibility and productivity
- Modeled, textured, and rendered an Unreal VR Game for the Murfreesboro Parks Department
